The Fourth New Jersey All-State High School Symphonic Band and Instrumental Forum

CARLETON L. STEWART
Guest Conductor and Forum Leader

IRVINGTON HIGH SCHOOL
IRVINGTON, NEW JERSEY
FEBRUARY 12 AND 13, 1942

*Sponsored by Department of Music
New Jersey State Teachers Association*

CARLETON L. STEWART

MR. CARLETON L. STEWART, Director of Music at Mason City, Iowa, comes to us as a leader in the field of public school music who has a very distinguished record of achievements. His bands have won nine First Division ratings in National Competitions, and his orchestras have won seven. Mason City was the first city in the United States to build a separate music building to house its instrumental program. In equipping the senior and junior high school program of instrumental music, this city likewise stands foremost in the front ranks. We know we shall gain much from his visit to us in New Jersey, and we welcome him most heartily for two reasons: First, he was the overwhelming choice of the committee that sought to bring in a leader of high reputation, and secondly we welcome him back to New Jersey where he started his career as a music educator. He taught in Elizabeth, New Jersey, one year before going to his present position in Mason City, Iowa.

Both the music educators of our state, and the members of our fine All-State Band will leave this Forum rich with new musical experiences of high standard and filled with unbounded inspiration, from the leadership of Mr. Stewart. We thank him very much for paying us this splendid visit.

FORUM DINNER

GERALD R. PRESCOTT

Gerald R. Prescott is Director of the Concert and Marching Bands at the University of Minnesota, which bands are among the finest in the entire country. He entered the public school instrumental field at Ida Grove, Iowa, where he won state contests. He was called to Mason City, Iowa, where he developed the well known "Prescott Technique System" which has been widely received. Here, again, his bands won state and national first division honors. He is co-author of the book, "Getting Results with the High School Band." Mr. Prescott has been called upon to adjudicate in state and national regional competition festivals, and is a well known clinic leader in instrumental circles.

New Jersey is honored to present this distinguished band-master to its 1947 New Jersey All State Band, and extends to him our warmest and heartiest welcome.

"BANQUET"

An informal banquet will be held Saturday evening at the Far Hills Inn. Driving on Route 23 towards Somerville, turn right on Route U. S. 202 (N. J. 31). This gathering is open to all friends and relatives of the music educators. Tickets for this dinner may be obtained at the registration desk.

DAVID HUGHES

New Jersey extends a cordial welcome to David Hughes, Chairman of the Music Department of the Elkhart Public Schools, Conductor of the well-known Elkhart High School Symphonic Band and Orchestra, and Musical Director of the Elkhart Municipal Band. At present the Elkhart High School has a concert band of 104 players, a marching band of 117, and a symphony orchestra of 92. Not only is the band uniformed, but members of the orchestra are attired in formal for girls and tuxedos for boys. Both organizations have taken many high honors, the band winning First Division in national competition in 1935, 1936, 1938, 1940, and 1941. Mr. Hughes was invited to bring his organizations to the National Conferences at Detroit, Milwaukee and Indianapolis. Elkhart can be very proud of the record that David Hughes has made with his musical units over the past seventeen years.

Our state will gain much from the leadership and forum discussions of Mr. Hughes, and we deeply appreciate his coming to us this year. We wish him continued success.

DR. WILLIAM D. REVELLI

New Jersey extends its warmest band of friendship to Dr. William D. Revelli on this, his second visit, to conduct the Tenth Anniversary Concert and Forum of the 1949 New Jersey All-State Symphonic Band. Music educators throughout our state were unanimous in asking our guest to return this year because of the very high standards of musicianship he set when he conducted the first New Jersey All-State Band in 1937.

The members of the band and their respective bandmasters will profit greatly from the fine teaching and masterful interpretations which Dr. Revelli brings to our state. We are most grateful for his coming and we wish him continued success as the outstanding university bandmaster of our country.

The University of Michigan, whose excellent concert and marching bands have reached the pinnacle among collegiate bands under Dr. Revelli's conductorship, can be extremely proud of the unique contribution which it has given to the entire band field in America.
